

## Taster **Tours**

### Brighton toys & shopping treats

First stop the Brighton Toy and Model Museum [www.brightontoymuseum.co.uk](http://www.brightontoymuseum.co.uk) located underneath the station arches. Look out for signage as you leave the station and displays in the travel centre. The museum, official station partner, boasts over 10,000 items in its atmospheric displays. Then on via Trafalgar St to the North Laine with its unique shopping experience.

### Linger in Lewes

Next stop is the county town of Lewes set within the South Downs National Park and steeped in history and famous for its bonfire night celebrations. Stop for a picnic in the ruins of Lewes Priory a short walk from the station. Perhaps a visit to Lewes Castle and look down upon the medieval town where you will spot Anne of Cleves House. Inhale the hoppy aromas drifting from Harveys brewery and get lost in the twittens (Sussex small paths). If you are cycling, take the egrets way along the picturesque River Ouse to Newhaven [www.egretsway.org.uk/route](http://www.egretsway.org.uk/route) perhaps take a leisurely trip back by popping your bike on the train. Lewes also has easy access into the South Downs National Park with a walk to Mount Caburn or Firl Beacon.

# About the Southeast Communities Rail Partnership

Southeast Communities Rail Partnership (SCRP) connects communities to their vital community asset – their local station. We work across the southeast to help volunteers enrich the station environment through a wide variety of projects, for example through sustainable gardening and art displays, festive decorations and so much more.

We improve integrated transport options by progressing access to stations, working with our bus provider partners to increase bus connectivity and encouraging active transport through walking and cycling. We work with schools and local colleges, providing educational workshops and we support diverse groups to “Try a Train” through arranged visits to stations. Our line guides support social and economic development by encouraging visitors to enjoy our region through sustainable travel.

Find out how to get involved on our website:
