

Taster **Tours**

Wonderful **Worthing**

Explore the Sussex Coast Area. From Worthing railway station, it's a 10 minute walk into the town, and a couple more minutes to the seafront. Take a ride on the Worthing Observation (WOW) big wheel, 46 metres high, giving excellent views up to 10 miles in all directions (Open April to October) Visit the East Beach Artists' Studios and Colonnade House on Warwick Street, before finishing off with a visit to Art on the Pier. Worthing is a seaside dream to explore on two wheels. Pick up a bicycle from the station, and drop it off at any of the 7 locations across the town.

Lunch – enjoy a picnic on the beach, fish and chips on the pier, or a pub lunch at one of the many hostels in the area.

Shoreham stroll

Take the train from Worthing to Shoreham, it's less than 12 minutes. From the station, stroll south past the shops then the ancient church and pedestrianised area. You'll come to the High Street and River Adur. Cross the footbridge, turn right and take a walk past the houseboats, turning right at the main road back into town. Or turn left for the one mile walk to Shoreham Fort. From here you can see the Lifeboat House and lighthouse at the entrance to the working port.

About the **Southeast Communities Rail Partnership**

Southeast Communities Rail Partnership (SCR) connects communities to their vital community asset – their local station. We work across the southeast to help volunteers enrich the station environment through a wide variety of projects, for example through sustainable gardening and art displays, festive decorations and so much more.

We improve integrated transport options by progressing access to stations, working with our bus provider partners to increase bus connectivity and encouraging active transport through walking and cycling. We work with schools and local colleges, providing educational workshops and we support diverse groups to “Try a Train” through arranged visits to stations. Our line guides support social and economic development by encouraging visitors to enjoy our region through sustainable travel.
