

Taster **Tours**

Quaint **villages**

Tonbridge is well worth a visit, with great access to the countryside and many quaint little Kentish villages. Tonbridge provides access to many walking and cycling routes, and parkland, open water and of course the River Medway for all types of sporting activities. A short walk from the station, the castle remains dominate the High Street, built by William the Conqueror to keep the locals in check. The castle fields host many outdoor music events and exhibitions throughout the year. Historic Tonbridge school and the E M Foster theatre can be found at the top of the High Street. The town has links to Jane Austen, evident at St Peter's church, walking tours are available. There are many opportunities to stop and refuel at the town's many cafés, bars and restaurants or find a seat by the river and watch the world go by.

Famous **artist**

Explore the picturesque village of Tudely, just outside Tonbridge, with its little known jewel, All Saints Church. The only church in the world that has all its windows in stained glass by created by the famous Russian artist Marc Chagall. Walk or catch bus no 205 from the station.

About the **Southeast Communities Rail Partnership**

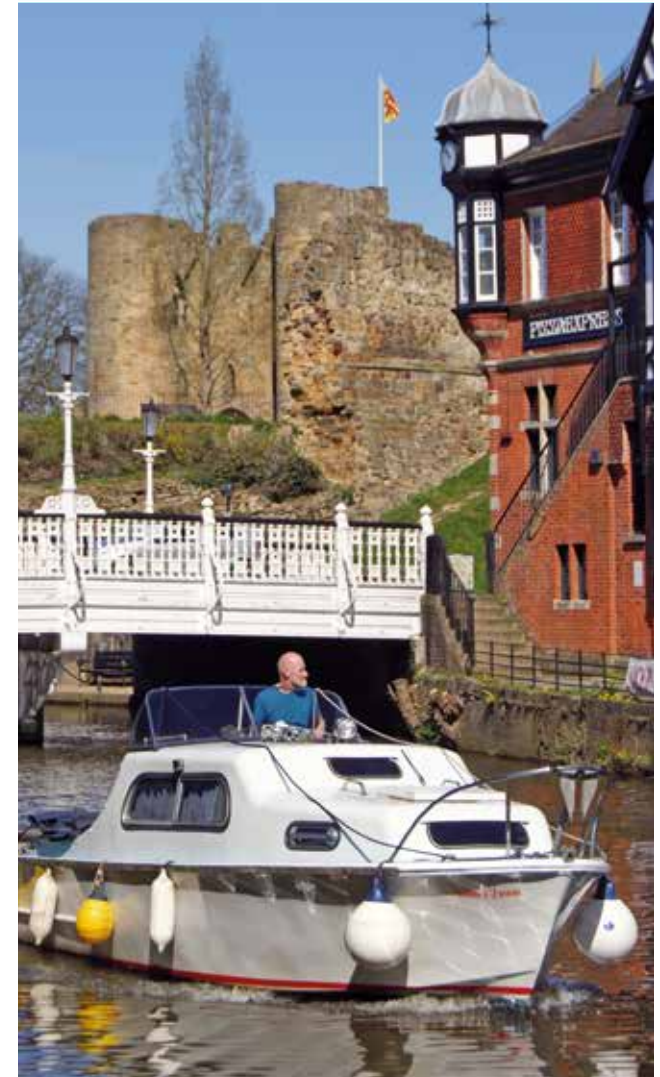

Southeast Communities Rail Partnership (SCRP) connects communities to their vital community asset – their local station. We work across the southeast to help volunteers enrich the station environment through a wide variety of projects, for example through sustainable gardening and art displays, festive decorations and so much more.

We improve integrated transport options by progressing access to stations, working with our bus provider partners to increase bus connectivity and encouraging active transport through walking and cycling. We work with schools and local colleges, providing educational workshops and we support diverse groups to “Try a Train” through arranged visits to stations. Our line guides support social and economic development by encouraging visitors to enjoy our region through sustainable travel.

Find out how to get involved on our website:
