

# Southeast Communities Rail Partnership Weekly Highlights

DATE 29<sup>th</sup> Jan 2026

1066: Hastings to Tonbridge  
Kanna Ingleson, Line Officer

Highlight of the week was the excellent networking event in Birmingham hosted by Community Rail Network for line officers who joined in the last year. It was great to compare notes with colleagues in other parts of the UK and to get a better understanding of the broader legal and practical context. A networking dinner the night before was an excellent opportunity to get to know everyone ahead of time, and to hear about their projects and the way they work. I was interested to learn that while we have 10 lines in our CRP, there are others that have one line officer who works on their own. Thanks to Alex Peel who did a great job organising everything and leading the session.

Useful catch-up with GTR alongside other Thameslink CRP line officers.

Key information from Service Quality Regime team about their station inspections and how station groups/CRPs can help with posters and planters

Finalised arrangements for poetry competition award ceremony at Rye (on Saturday)

Started to look at designs and concepts for the Marshlink 175 anniversary – there will be cake!

### How you can influence and support SQR at Stations

- Station planters are not neat and tidy; well-kept; and containing appropriate living vegetation.

- Community notices are not out of date (including a 7-day grace period).

- Poster material is being obscured inside the frame.

- Fly-posters and banners on display at stations need to be authorised/ agreed with the Station Manager/ Station teams.
